#### "WE LIVE FOR DREAMS"

THERE'S NO NEED TO TALK IT OVER FOR THE TIME IS GROWIN' NEAR, OF WHERE WE WILL BE GOIN' IN THE COMING YEAR. . .

DREAMS CAN BE WHAT YOU MAKE THEM; LARGE OR SMALL THEY CAN COME TRUE, AND NO ONE SHOULD ASK FOR REASONS OR CRITICIZE WHAT YOU MAY DO . . . 'CAUSE

WE LIVE FOR DREAMS, EVEN THOUGH WE KNOW THEY MIGHT NOT COME TRUE, THEY'RE ALWAYS THERE, FOR ME AND YOU.
WE LIVE FOR DREAMS, AND IF WE CAN NOT MAKE IT THROUGH THE NIGHT.
IT'LL BE ALL RIGHT, 'CAUSE WE'LL GET THROUGH,
WE LIVE FOR DREAMS IN ALL WE DO . . .

THE ROAD WE CHOOSE TO WALK ON MAY BE SHORT OR MAY BE LONG,
BUT WE GOTTA WALK IT ANYWAY AND KEEP ON GOIN STRONG.
SO IF YOU TRY AND THEN GIVE UP, YOU BETTER TRY IT ONE MORE TIME;
'CAUSE NO MATTER WHERE YOU GO, YOU WON'T LEAVE THAT DREAM BEHIND . . .

NOW THERE'S A LIGHT AT THE END OF THE TUNNEL;
BUT ONLY THERE FOR A LITTLE WHILE,
SO RUN FOR YOUR DREAMS,
CATCH THE SUN,
WALK THE MOON,
MAKE LIFE FUN,
FLY A PLANE,
MAKE A CAR BUT BE YOURSELF
NO MATTER WHERE YOU ARE . . .

WE LIVE FOR DREAMS, EVEN THOUGH WE KNOW THEY MIGHT NOT COME TRUE, THEY'RE ALWAYS THERE, FOR ME AND YOU, WE LIVE FOR DREAMS, AND IF WE CAN NOT MAKE IT THROUGH THE NIGHT. IT'LL BE ALL RIGHT, 'CAUSE WE'LL GET THROUGH, WE LIVE FOR DREAMS IN ALL WE DO . . .

"We made it!" Everywhere you went, that's what you heard from the Seniors. Their graduation was held outside and the day turned out beautiful. When the time came for them to move their tassels over, frisbees were thrown up. Afterwards there was a lot of crying, laughing and hugging.

Some say they were the worst class since '77, but one senior told me it was just so that everyone would remember them. They must not have been too bad, because Mr. Ucchino graduated with the class of '81!

#### READY

This year the Junior Class came one step closer to life after high school. The prom is always a big part of high school life, especially for the Juniors, for they are the one's who make it happen. In September the magazine sale began with much confusion. "Where's Bundysburg road? Does somebody really live there?" Each day the progress was shown on the charts taped to the office window. Slowly but surely the bright red line continued to rise and all the hard work payed off as the Juniors came close to meeting their goal

They didn't stop there, however, for in November the class put on a success entitled "How Green Was My Brownia" (ask a cast member to explain the title). Spirit Week proved to be one of the Juniors' biggest accomplishments this year. Their hall "Get A Grip On Victory" won the Class of 82 the Spirit Jug. The high-spirited Juniors also captured the Spirit Stick a number of times, failing only two or three times to another class

Being a Junior means class rings, magazine sales, the play and the prom, but it also means only one more year of high school left. Judging from this year the Class of 82 seems quite capable of handling Cardinal High School next September

The job of Jr. Class advisor is not the easiest one in the world and this year the Juniors were lucky to have an organized and very helpful person to whom we owe a lot of thanks - Mrs. Daris Rozycki. "Yum yum bumble bee, bumble bee tuna

This years Sophomores can proudly say, "We are no longer Freshman!" They have made it through the most trying year of high school and are ready to start a new

They are much improved as a class from pep rallies to grades, and they are moving up. The Sophomores have an over abundance of spirit, which they proudly show at the pep rallies and, of course, every chance they get, whether its hat day or dress-up day

This year the Sophomore class made a great attempt at spirit week, even though they were overcome by the Juniors.

Homecoming was memorable event, and the Sophomore attendant, Kelly Pilarczyk, did a fine job representing her class. Most of this success was due to the familiarity of being in high school for the second year

This is one Sophomore class that is open to all challenges and can face the year with enthusiasm and their own unique style. The Sophomore Class will keep this style until long after they've left the security of high

#### FRESHMEN

Every year the high school receives a new bunch of frightened, lost freshman. This year, however, much to our surprise, the freshmen weren't as frightened or lost as previous freshmen were. They fit in quite well, and caught on extremely fast at our first pep rally.

As they continued to break into the new surroundings and make new friends with the upper classman, they gained more selfconfidence and began to enjoy their first year of high school. Their friendly smiles and eagerness to learn all about the new environment was a great comfort to the school when moral was down. There was never a dull moment when the presence of a freshman was

The seniors, along with the juniors and sophomores, express our sincerest best wishes for the next three years and post high school

#### MA MA DA DA

Mr David Thomas

We rehearse hard

This year's chorus was very successful at District and State Contests. At Districts the superior rating of I was achieved and at state contest the chorus was awarded a II Concerts were also an exciting part of the year and the most common question was "Mr. Thomas, why can't we sing in English?". This was a favorite because Mr Thomas has this flair for choosing Latin songs. (German is his second choice')

Aside from contests and concerts, the choir also performs at commencement. (In Latin I might add') After all the singing is done the chorus participates in the annual "end of the year" volleyball games where everyone has the chance to show their spectacular sports abilities, right Mr. Thomas?!? Chorus is not all work and play; many important lessons are learned, such as, how to stack chairs and announcements are for your own benefit. Another handy reminder is don't run back into McDonalds after everybody else is on the bus and ready to go, got it Laura?

Probably the trademark of this years choir is their bizzare ability to mess up getting on stage. There is no such thing as a simple entrance, whether we are at contest or a concert. We always manage to mess up some way. Next year's chorus has the ability to go far, just one small suggestion, take Latin !

### THANKS FOR EVERYTHING

Miss Josephine Harris began her teaching career in 1937 for Middlefield Schools. She taught a wide variety of subjects from English to Biology. Bookkeeping, to Home Economics, Typing to Physical Education. Later, during the sixties, she entered the library media work and continued as high school librarian. Some students may remember her as girl's basketball coach and advisor for the Annual. She will be missed dearly by students and faculty alike.

Mr. D. Michael Ucchino came to Middlefield in 1949 as a teacher and administrator. Not long after that, he became the high school principal, and remained in that position for nearly 30 years. He has seen the coming of the addition of the school, and has survived many classes' perils. How he did it we'll never know, but we're sure glad he did' Thanks, Mr. Ucchino, for all the help and time you gave to us. We will miss you.

#### JUNIOR

The Jr. Class Play is always such fun each year. The money raised helps in many ways. But the most exciting part of the whole thing is seeing who can do what when try-out time comes around.

One never knows how much undiscovered talent they have until Mr. Thomas says, "Okay, you're an old, fat, ugly, woman who interfers when she's not wanted, which is all the time." or "You're a maid who seems to know exactly what's going on everywhere, even if you're not around Be snobbish, but likable, cold but warm, and most of all have a droll sense of humor." What fun.

After all this, the cast is selected and practices begin. The practices are hard ones, but in the end the plays are always a huge success. This year the entire cast and crews are to be commended for an excellent show.

But you said it was love!

You know, Porcellana will fade those brown spots

### **BROWNIES**

Who is actually giving crazy in the Flinder Household? Could it be Win fred Finder, supposedly just out of the hospital who insists she spent two weeks in Paris? Or is it Adison Flinder her husband, who thinks his wife plans to go into the convent? Could it be their daughter. Bonnie, who suspects both her parents are a bit crazy. Is it notes Maxine Threadgill, who thinks the neighboring plano teacher is a great pediatric surgeon or gyneocologist. Philip Morgan, who insists payment for an operation he may not have performed. Or the ever pipp dar Gunther Chindry the general handymen who insists the 'brown es' have it in for the Flinders or maybe its housekeeper Nora Larkin, who expects at any moment to be murdered in her bed? It could be Lore et Gullock a neighbor whose purse contains anything from crowbars to teddybears or her nephew Lony Mizel who thinks he can psychoanalyze a person in a roomful of people with no one being the wiser or Henri Marmer a Frenchman who hopes to parlay garlic oregano, and Roquefoert into the latest rage in men's toiletties Maybe, it's Waldo Lenn mar A Doctor of Musicology who biames his illifortune on neglecting to leave the brown es a saucer of milk. Whilever it is when you set a group like this down into the heart of Tarrytown New York you can expect a lot of confusion an unsolicited appearance of the Headless Horseman, and a lot of terrified screams from the characters, not to mention huarious shrieks from the audience in this are there-or aren't there is int through the superstition rudden environs of Washington Irving country, where anything can happen - and eventually does.

#### US

On April 3rd and 4th Cardinal High School presented the musical \*Mame\*. The plot of Mame adheres for the most part to the original story of Auntie Mame. It concerns the adventures of the unconventional Mame Dennis and her nephew. Patrick, who comes to live with her when his father dies. The story continues through a series of comedy situations until the final scene when Mame is about to take Patrick's young son Peter with her on a trip, thus bringing the plot full circle.

The musical always takes a lot of work to put together and this year's was no exception. The cast spent a good portion of practice time dancing and singing in the stratosphere Atter all the hard work and sleepless nights it paid off When the time came for the final curtain call you knew the musical, Mame, was a

Success

Oh what fun!

Prom was a great success this year. The Juniors went all out decorating for the Prom, held at The Kennedy Center, Hiram Their theme was "We've Got Tought", with D.T. supplying the music. Everyone danced to music from the 50's style to polka tunes

The highlight came when Robin McNish was crowned 1981 Prom Queen by the 1980 Queen, Debbie Adams. Chuck Cover was the new King.

The 1980-81 Cardinaires have had a very busy and exciting year. This school year has seen the group perform throughout Geauga County. Performances ranged from local school assemblies to various banquets, the Geauga County Maple Festival, the Middlefield Swiss Cheese Festival and lastly the Great Geauga County Fair

Last summer some of the Cardinaires and Mr. Thomas went to a choreography camp at Penn State and brought back new songs and dances for the group. With the addition of an electric piano and the drums this year's Cardinaires have given the group a new look

The highlight of this year was the group's audition for the Gene Carroll Show, WEWS Channel 5, in Cleveland. The Cardinaires auditioned for the show, now to be called Entertainment 5, and made it as their "special feature." They taped in June and should be on TV some time in September

Also this year Marijo Soltis was chosen as one of the ten "Workshop Blenders" who help with the summer clinics at Penn State

Thanks to Mr. Thomas and everyone in the group the Cardinaires have had a very successful year and are looking forward to singing and dancing next year

# SNOW PLOW?

All of our high school skiers know how to have fun Many take on new adventures while their lessons are being offered. Such as, cross country skiing, and the ever popular racing with the added excitement of hill jumping

It's always fun to watch the new skiers try all the things they learned at their lessons. Most of them finally get the hang of doing summer saults the correct way while trying to perfect show plowing. And we must nt forget the many times we became good friends with the force of the many times we became good friends with

the fence or the many trees we hugged

All m all sking is good exercise and lots of fun for everyone. It lets one let loose of their problems of the day for a short while.

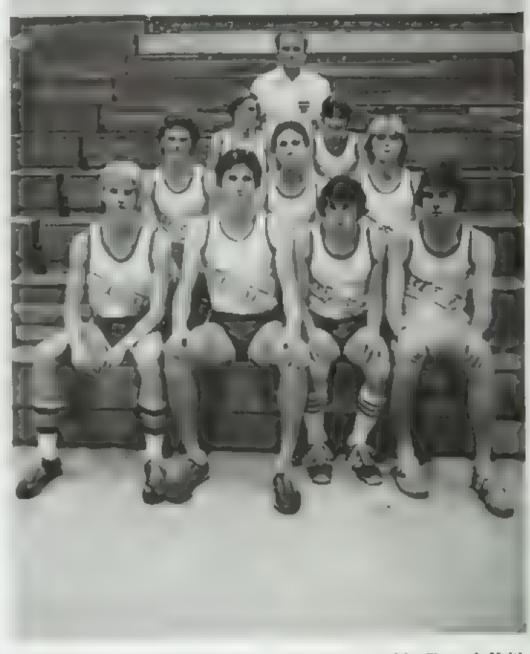

## I'D RATHER BE RUNNING.

The 1980 Boys Cross Country Team showed much improvement this year, completing their season with a 5-9 overall record. They had an East Suburban Conference record of 1-4, and placed 4th at Sectionals. Mr. Shepard was very pleased that the team defeated Gilmore both in their dual meet and at the Gilmore Invitational. This was the first year the Cross Country Team defeated Gilmore and the first time Mr. Shepard beat his ole alma-mater.

The girls Cross Country team finished their season with an overall record of 2-5, and an E.S.C. record of 13. At Invitationals they competed against some AA and AAA schools and were not disappointed with their running. They showed a lot of spirit and are looking forward to even a better season next year.

Kevin Pollari, Mickey Pitorack, and Lori White all got an Honorable Mention this year in the E.S.C. Barb Zilich made 2nd Team all Conference along with Mike Vargo, and Sandy Baumgartner made first team all E.S.C. Two runners were sent to Districts at Akron this year, and even though the day was cold and rainy, Sandy and Mike still did a great job for Cardinal. Sandy captured 1st at the Newbury Invitational this year and broke the record

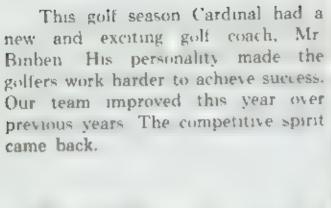

Contrary to popular belief, however, not all practice time at Grandview was spent running. They had grass fights and stick fights and through the school halls their song could be heard, "Cross Country players don't like to runnn . . . they like to play volleyball — Instead."

### THE

Volleyball season starts long before school starts in the fall. Practicing in the hot gym on Hot August days in Cardinal is not an unusual sight. But our team members are very dedicated and a little heat doesn't keep them from practicing.

All those long hours of practicing always pay off. The team makes
voileyball look so easy because
they're so good at what they do. Of
course, Miss Tudor, Their coach,
always receives great satisfaction
from watching her girls work out
and play very competitively. She
always gives the team a lot of
support, whether they win or lose.

After school begins, the memorable sounds of "BUMP, SET, SPIKE!" ring through the halls and gives the morale of the school an uplift.

### DEFENSE

Each school year brings new talent to Cardinal, and this year was no exception. Football always draws a huge crowd because it's so exciting and strategic

Practice begins in August, one of the most humid months of 1980. Even though it was so humid, everyone turned out for practice without many complaints. (ha ha ha) Coach Verno had a lot of help from head wrestling coach, Buddy Young, who made practicing in the humidity a little bit more bearable.

Highlite of each football season is our game with the Berkshire Badgers. This year, however, the Huskie team's effort to teach them the art of football failed. The Badgers just got lucky.

So that's why mom always said No hitch-hikers'

## ISN'T SHE LOVELY

The most honored tradition of every high school is, of course, the Homecoming. Placed in a fall setting of clear skies, bright stars, crisp, cool night air, the football team gets psyched up to win the football game for the queen. This year the team, along with the majority of the student body and countless numbers of Cardinal alumni, was fired up to win against our rivals, the Berkshire Badgers

During pre-game while the band tried to settle the excitement of the crowd with a soft mellow song, six excited girls were escorted across the field. The band softened as Debbie Druhot's name was called as our 1980-81 Homecoming Queen. She reigned over homecoming activities that evening although the efforts of our Huskies could not match the efforts of the Badgers as we fell 23-0.

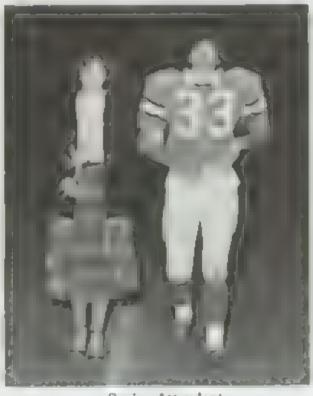

The 1980-81 Homecoming Court consisted of five other girls who stood by Debbie to cheer on our Huskies. They were selected by their peers to represent their class. The attendants were: Laura Brown, Freshman Class; Kelly Pilarczyk, Sophomore Class, Pam Krawsczyn, Junior Class; Angie Babb and Kim Heaster, Senior Class.

#### Every year the band has one week of band camp and this year they chose Thiel College. During most of the time that they stayed there it rained, but they still worked hard, marching and falling in the mud

On the way home from their annual Cedar Point trip, their bus had a flat tire. Everyone got a ride in the paddy wagon to the police station to wait for the bus to get fixed. While they waited, they were locked in a cell as part of their tour of the station. That night, the station was really busy and people stopped to ask them what they had been picked up for! Even though it was 3:00 a.m. before they got to leave, it was an interesting experience, and something they'll never torget.

During their performance at the Geauga Fair Band-O-Rama, our band, along with West Geauga, received a standing ovation for their performance of the "Rainbow Show!" The band was also invited to Girard High School where they performed along with other bands around the area. They used the "Rainbow Show!" with the "Oz" characters.

The band put a lot of hard work into their performances and it showd during the football games

The band put a lot of hard work into their performances and it showed during the football games. Each year we lose good people and gain new people. Even though the band is small, you can really hear them! Thanks, Miss Hargreaves, for making the band into what it is now! All the memories will stay with us forever. We'll miss you.

Band is fun

### YOU WHO

Cardinal Varsity Wrestling Team 1980-81 from back left: Coach Buddy Young David Fricker Joe Toth, Don Parnaby, left Zeigler Ray Pirter, Mike Stewart, Greg Hall (kneeding Date Parnaby Kevin Armstrong Tim Pullman Bill Poule, Joe Huggins, Charlie Wright, Tim Loze

This year's wrestling team got off to a good start by winning their first match to Perry. But from there on their luck changed with a string of losses. The next bright spot was the Christmas Wrestling Tournament held at Cardinal in which the home team took a second place rating. There were only 2 more victories till districts.

Cardinal sent four grapplers to represent the school in districts - Ray Porter, Jeff Zeigler, Joe Toth and Tim Loze who all did very well Then, of the four, 2 of the wrestlers went on to State Competition. Ray Porter upheld the Porter name by placing 2nd in his 167 pound class and Jeff Zeigler did well by placing 3rd in the 155 pound category. Both wrestlers went Class A and couldn't have done this without the help of their fearless head coach, Buddy Young, and assistant coaches Kyle Gott and Scott Chapman. Next year's wrestlers will have their hands full making the loss of the seniors unnoticed.

Wrestling Stata and Cheerleaders: Brenda Cramer, Teresa Hatch, Pam Lukas (kneeling) Robin McNish, Missy Chapman, Becky Becker, Merry Lou Knuckles

### THANKS BINBEN!

The Illustrious Dr. V in action

Coach Binben came to Cardinal with high hopes. Before the season came, a lot of people probably laughed at his ideas. When basketball season came, many people stared wide-eyed in amazement at what Cardinal basketball players were accomplishing. Attendance at the games rose, "Bleacher Creatures" evolved and showed that we do have all the spirit in the E.S.C. and faith in our team. It's been a long time since Cardinal has had such an exciting Varsity team. Thanks Coach'

The team's overall record was 12-8. Six of the losses were so close that the other team led by only two to four points. We're so proud of our Huskie team.

For all his efforts, Vic Binben was named co-coach of the year of the All-Geauga County squad. The Geauga Times Leader named Steve Marcu Player of the Week. Steve was also named the Most Valuable Player on the All-Geauga County squad for the year. Ed Minick and Don Howells made Honorable Mention in All-E.S.C.

The 1980-81 Girl's Basketball team finished the season with a 6-8 record. Although the Huskies weren't ESC champs, a few teammates received honors. Monica Lukas gained second team honors in Geauga County. She also made 1st team ESC. Nancy Webb and Debbie Huebner made honorable mention in the ESC. Renee Brindza and Bev Weaver were the only seniors. (Sophomore Nancy Webb and Renee Brindza were chosen by the team to be team captains.) With only three returning lettermen, the team was rather inexperienced.

### BREATHE! . . . 2 . . . 3

The boy's track season was both disappointing and hopeful. While the team did not win many meets, much experience was gained by the unseasoned members, most of whom will return next year. The 400 meter relay team of Mark Eggleton, Jeff Humenik, Steve Balko, and Denny Hamilton broke the school record and qualified for districts. Jeff Humenik also broke the 300 meter low hurdle record and Steve Balko qualified for districts in the discus

Put your right hand in

The varsity baseball team had a winning season, although it was not everything they had hoped it would be. A ten game win streak was followed by a six game slump, eliminating chances for a second consecutive E.S.C. title. The team also lost its first game in sectionals. Despite this, there were several bright spots on the season: an exciting win over arch-rival Richmond Heights, and two no-hitters by pro-prospect Chuck Swango, against Chardon and Kirtland. The Huskies also garnered honors in all conference voting. Kevin Cook was all-conference at second base, as was Swango at pitcher, while Steve Marcu repeated at third base. Don Howells and Lloyd Koebel gained honorable mention.
